EJL LIGHTHOUSE — INDOOR LEVEL FLOOR PLAN
50 seats · EJL pink/gold robots · one VIP (lounge-office-bedroom) · e-pay no tip · coal sealed room

DRAWING A-01

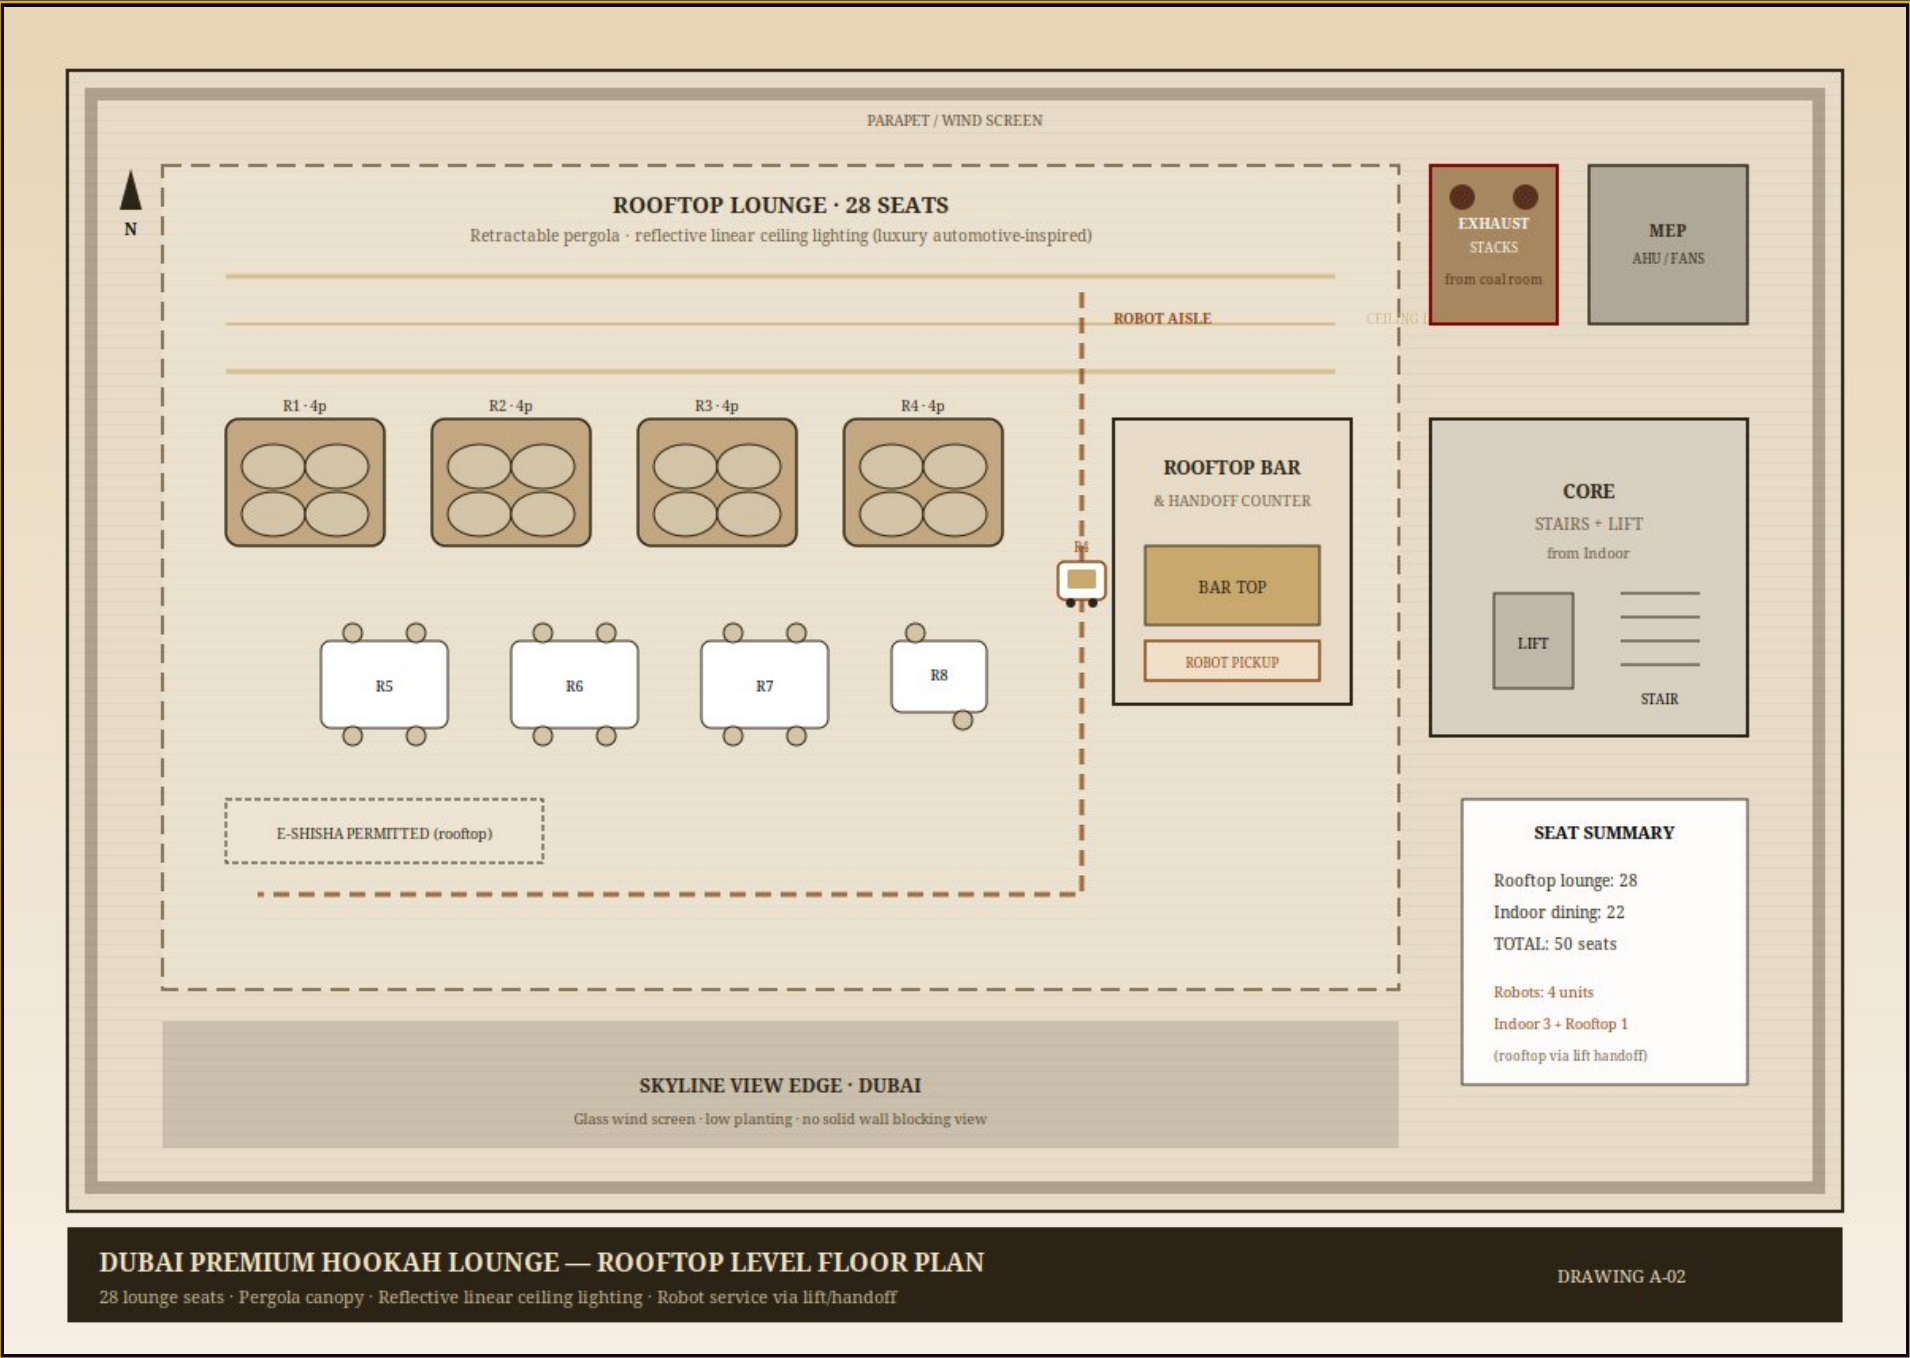

TABLE DELIVERY ROBOT ROUTING & ORDER FLOW

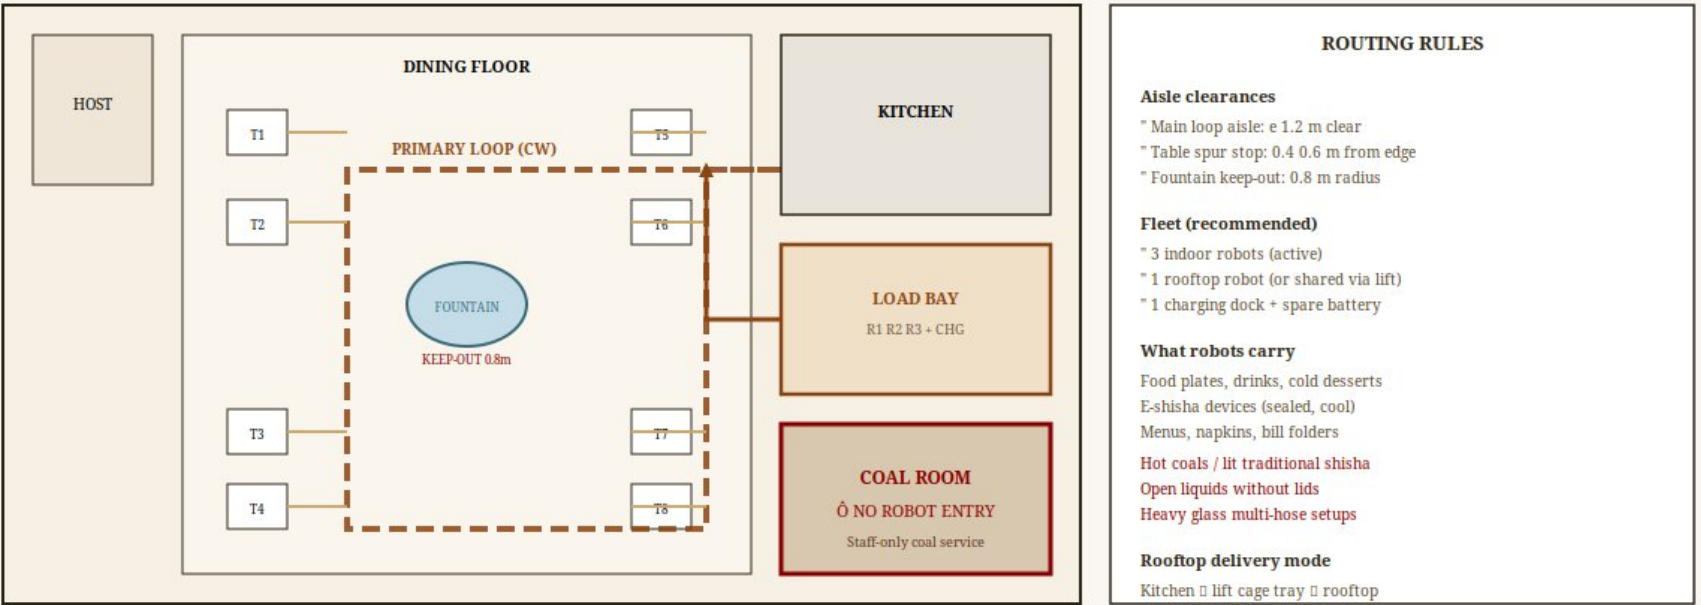

Guest QR order → Kitchen KDS → Robot load bay → Table delivery → Return → Charge

DRAWING R-01

1. ORDER LIFECYCLE (DIGITAL → ROBOT)

2. INDOOR ROBOT PATH MAP (PRIMARY + SECONDARY LOOPS)

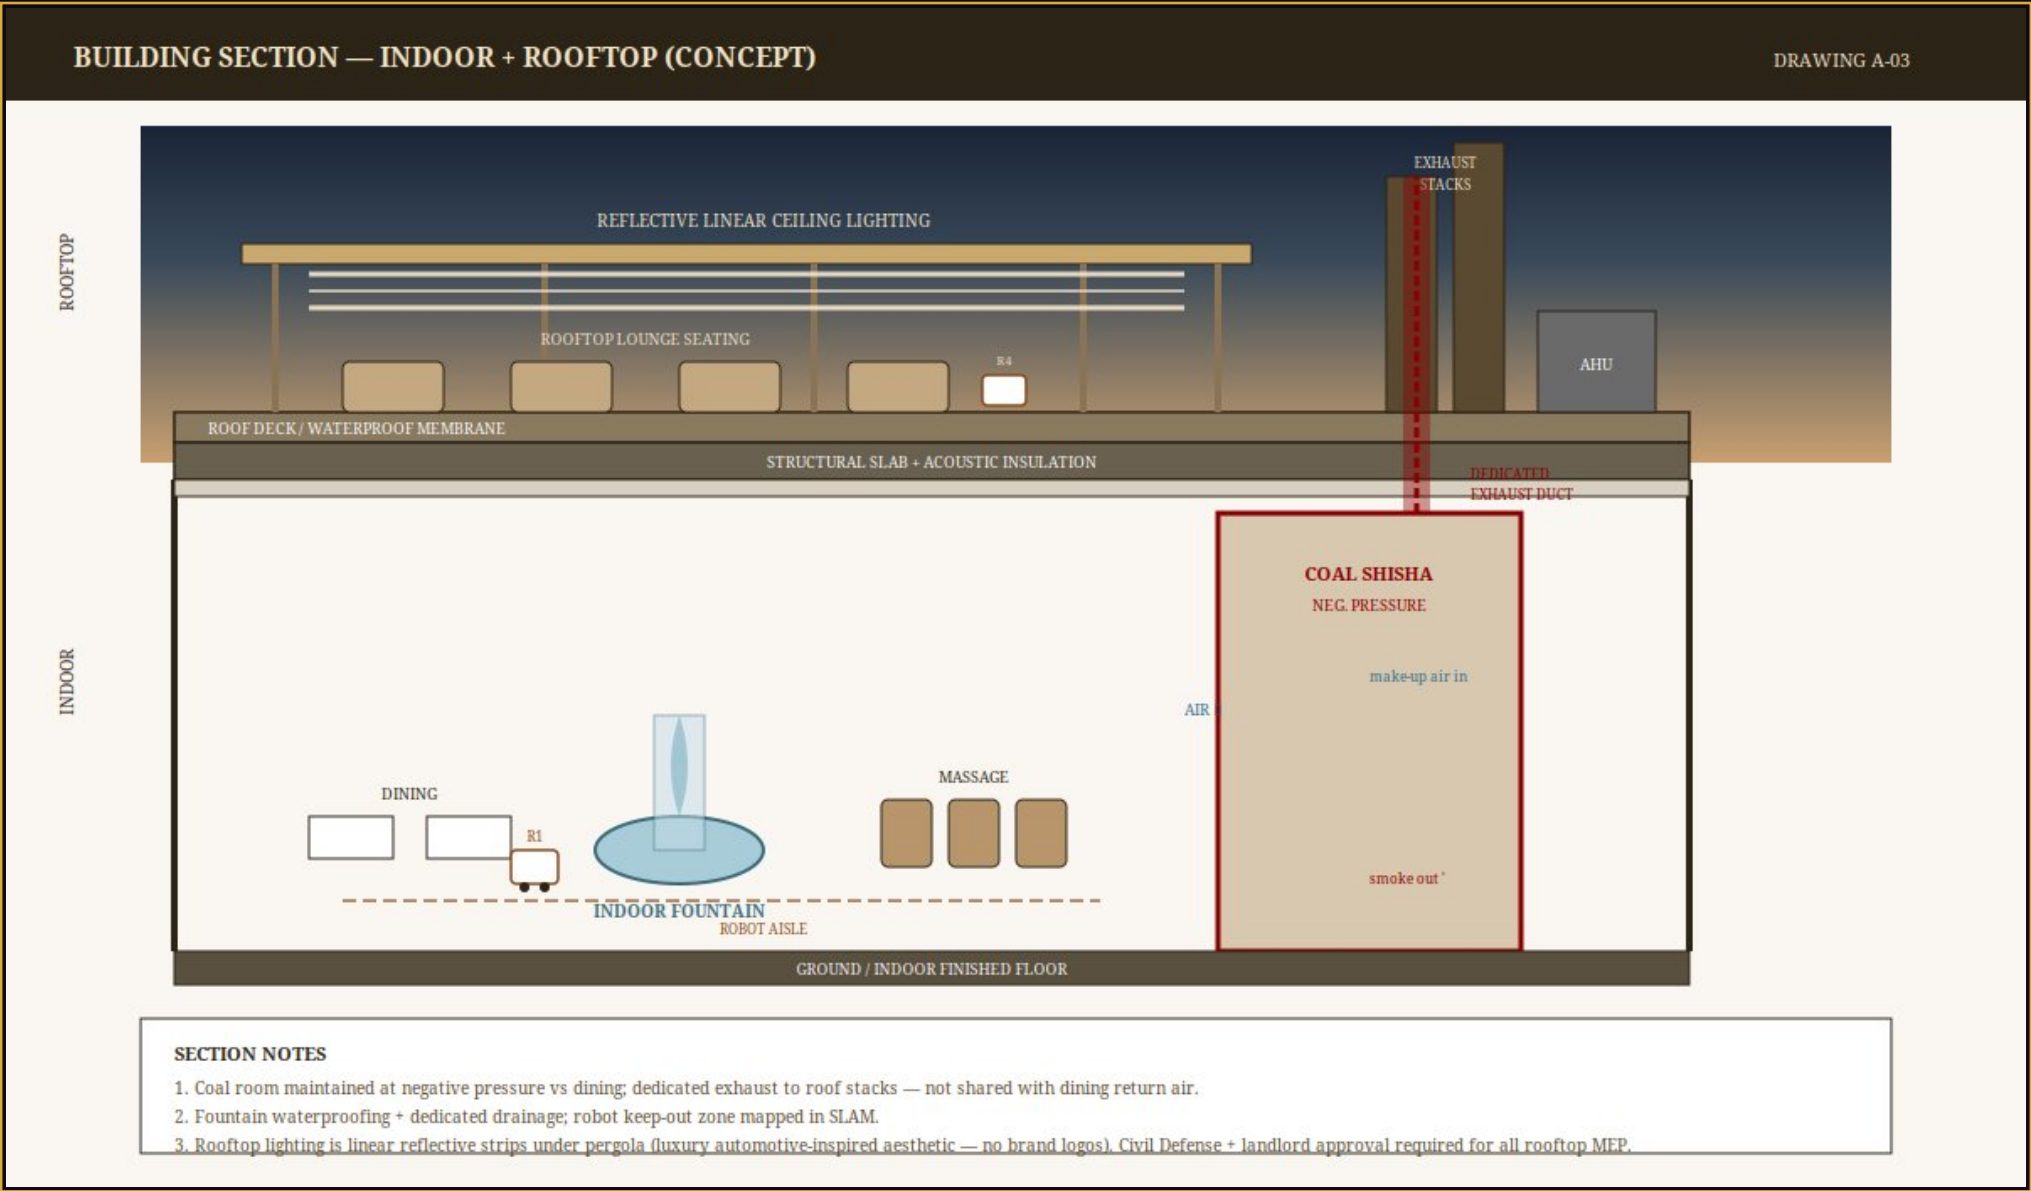

3. ROOFTOP HANDOFF SEQUENCE

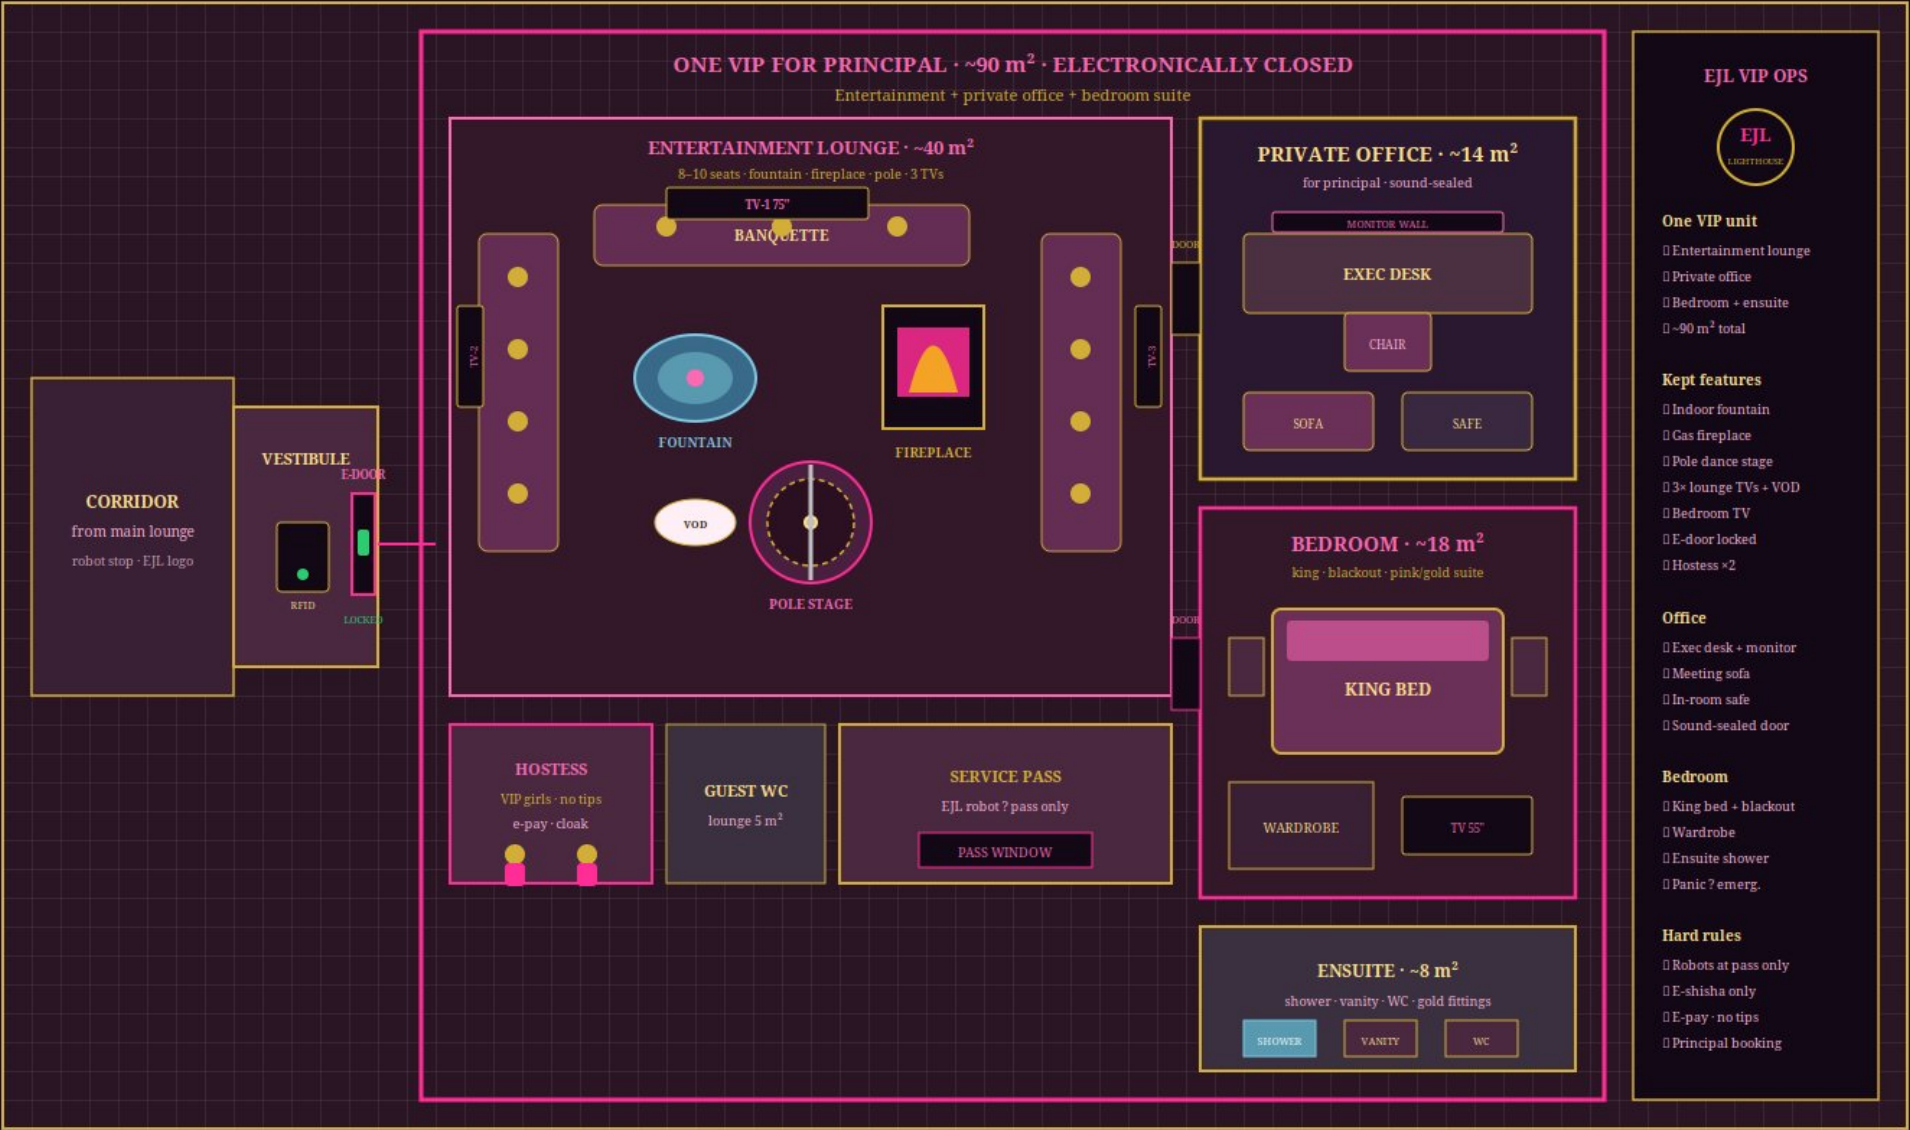

Note: If service lift cannot accommodate a robot, keep robots level-bound and transfer trays only (recommended for Dubai Civil Defense simplicity).

Mapping: LiDAR SLAM map locked after fit-out; virtual walls around fountain, stairs, and coal vestibule.
