

EJL LIGHTHOUSE

Development-Order Image Book

All folders scanned · unique images extracted · definitions · build sequence

35 sheets in 10 execution phases · Dubai concept package

Scan sources: images/ · drawings/ · docs/dubai-hookah-lounge/

Execution order (read top → bottom)

- 0 Brand & brief — lock EJJ pink/gold identity
- 1 Design intent — freeze fountain, fireplace, pole, rooftop atmosphere
- 2 Guest journey / ops — journey, pay rules, robot routing & branding
- 3 Building shell & MEP — section + coal/HVAC/fire schematic (CD pre-consult)
- 4 Spatial plans — freeze indoor + rooftop footprints and clear widths
- 5 Kitchen / BOH — prep, cook, dish, stores, robot bay, dumbwaiter
- 6 Safety & staff — emergency room + staff rest/changing with closets
- 7 VIP-1 — indoor principal suite (lounge + office + bedroom)
- 8 VIP-2 — rooftop terrace add-on after shell and VIP-1 lessons
- 9 Procurement & opening — FF&E quantities, vendor orders, training, soft open

Each following page = one asset + definition aligned to this sequence.

Contents — development alignment

01 B-00	EJL Lighthouse brand mark	31 A-04e	VIP-1 cutaway — lounge + office + bedroom
02 C-01	Classic indoor fountain — display	32 A-07	Rooftop VIP-2 plan
03 C-02	Classic indoor fountain — detail	33 A-07a	Rooftop VIP-2 concept render
04 C-03	Classic gas fireplace	34 F-01	FF&E schedule — quantities
05 C-04	Classic fireplace — detail	35 F-01a	FF&E mood board
06 C-05	Classic pole dance stage		
07 C-06	Rooftop lounge atmosphere		
08 C-07	Indoor robot + fountain atmosphere		
09 G-01	Guest journey map — entry → VIP → pay		
10 G-01a	Guest journey concept render		
11 P-01	Payment system — electronic only		
12 R-01	Robot routing & order flow		
13 B-01	Robot fleet branding		
14 A-03	Building section / elevation		
15 A-03a	Building section concept render		
16 M-01	MEP systems — coal · HVAC · fire		
17 M-01a	MEP systems concept render		
18 A-01	Indoor level floor plan		
19 A-02	Rooftop floor plan (+ VIP-2)		
20 A-08	Kitchen / BOH plan		
21 A-08a	Kitchen / BOH concept render		
22 A-05	Emergency / seizure room plan		
23 A-05a	Emergency room concept render		
24 A-06	Staff rest & changing (closets)		
25 A-06a	Staff rest & changing concept render		
26 A-04	VIP-1 plan — lounge · office · bedroom		
27 A-04a	VIP-1 suite — full concept		
28 A-04b	VIP suite — earlier concept		
29 A-04c	VIP-1 private office		
30 A-04d	VIP-1 bedroom		

0 · BRAND & BRIEF

Lock identity before design freeze.

Development phase divider

**DEFINITION****Code: B-00**

Phase:

0 · BRAND & BRIEF

Title:

EJL Lighthouse brand mark

Definition:

Official pink/gold house logo. Apply to robots, VIP plaques, tray liners, staff closet tags, and app. Establishes brand before any FF&E orders.

Source file:

[images/00-ejl-lighthouse-logo.png](#)

1 • DESIGN INTENT / SIGNATURE FEATURES

Freeze the look of signature guest features.

Development phase divider

DEFINITION

Code: C-01

Phase:

1 · DESIGN INTENT / SIGNATURE FEATURES

Title:

Classic indoor fountain — display

Definition:

Primary fountain atmosphere for dining and VIP-1.
Pink LED wash, waterproofing + drain, robot keep-out
ring -0.8 m.

Source file:

[images/10-classic-fountain-display.png](#)

DEFINITION

Code: C-02

Phase:

1 · DESIGN INTENT / SIGNATURE FEATURES

Title:

Classic indoor fountain — detail

Definition:

Close-up finish reference for fountain basin, water jet, and gold/pink lighting. Use for FF&E vendor briefing.

Source file:

images/11-classic-fountain-detail.png

DEFINITION

Code: C-03

Phase:

1 · DESIGN INTENT / SIGNATURE FEATURES

Title:

Classic gas fireplace

Definition:

VIP fireplace with gold surround. Civil Defense-compliant sealed/gas unit with guard. Required in VIP-1 and outdoor form in VIP-2.

Source file:

[images/12-classic-fireplace.png](#)

DEFINITION

Code: C-04

Phase:

1 · DESIGN INTENT / SIGNATURE FEATURES

Title:

Classic fireplace — detail

Definition:

Material and flame presentation detail for fireplace procurement and installation drawings.

Source file:

[images/13-classic-fireplace-detail.png](#)

DEFINITION

Code: C-05

Phase:

1 · DESIGN INTENT / SIGNATURE FEATURES

Title:

Classic pole dance stage

Definition:

Chrome pole on circular stage with soft floor and pink uplight. VIP-1 only. Clear height 2.4 m minimum.

Source file:

images/14-classic-pole-dance.png

DEFINITION

Code: C-06

Phase:

1 · DESIGN INTENT / SIGNATURE FEATURES

Title:

Rooftop lounge atmosphere

Definition:

Overall rooftop vision: pergola, reflective linear ceiling lights, city skyline. Sets outdoor FF&E and lighting direction.

Source file:

images/20-rooftop-concept.png

DEFINITION

Code: C-07

Phase:

1 · DESIGN INTENT / SIGNATURE FEATURES

Title:

Indoor robot + fountain atmosphere

Definition:

Shows EJI-branded delivery robots operating beside the indoor fountain. Confirms robot aisle and keep-out zones early.

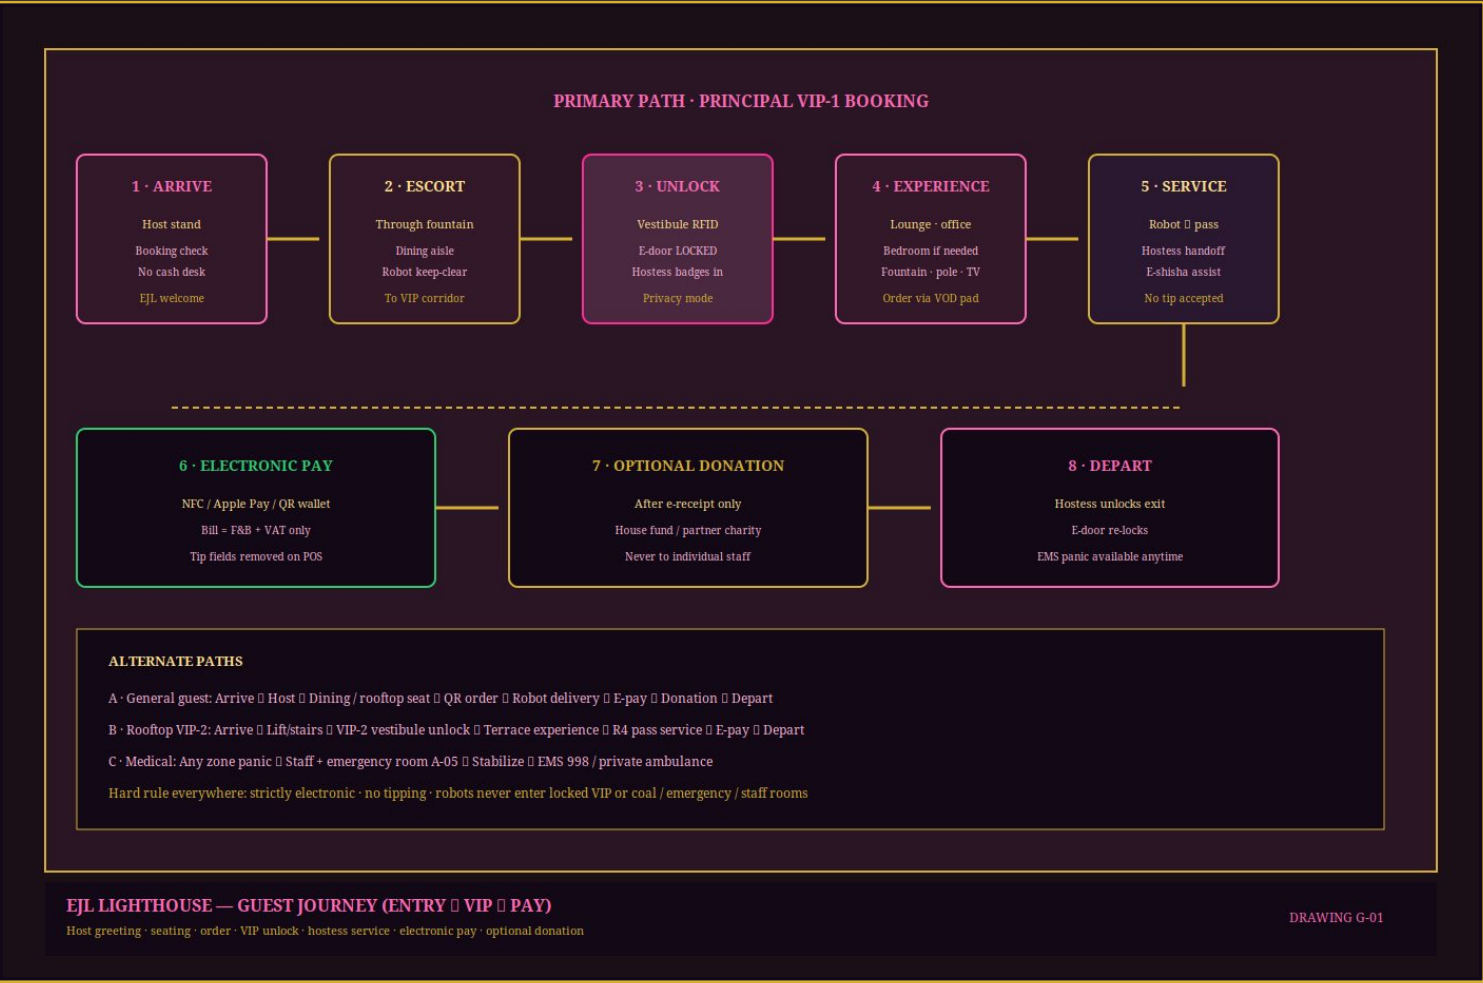

Source file:

[images/21-indoor-robot-concept.png](#)

2 • GUEST JOURNEY / OPS STORY

Define how guests and staff move before freezing walls.

Development phase divider

DEFINITION

Code: G-01

Phase:
2 · GUEST JOURNEY / OPS STORY

Title:
Guest journey map — entry → VIP → pay

Definition:
Operational sequence: Arrive → Escort → Unlock → Experience → Service → E-pay → Donation → Depart. Includes VIP-2 and medical panic alternates.

Source file:
drawings/14-guest-journey.svg

DEFINITION

Code: G-01a

Phase:

2 · GUEST JOURNEY / OPS STORY

Title:

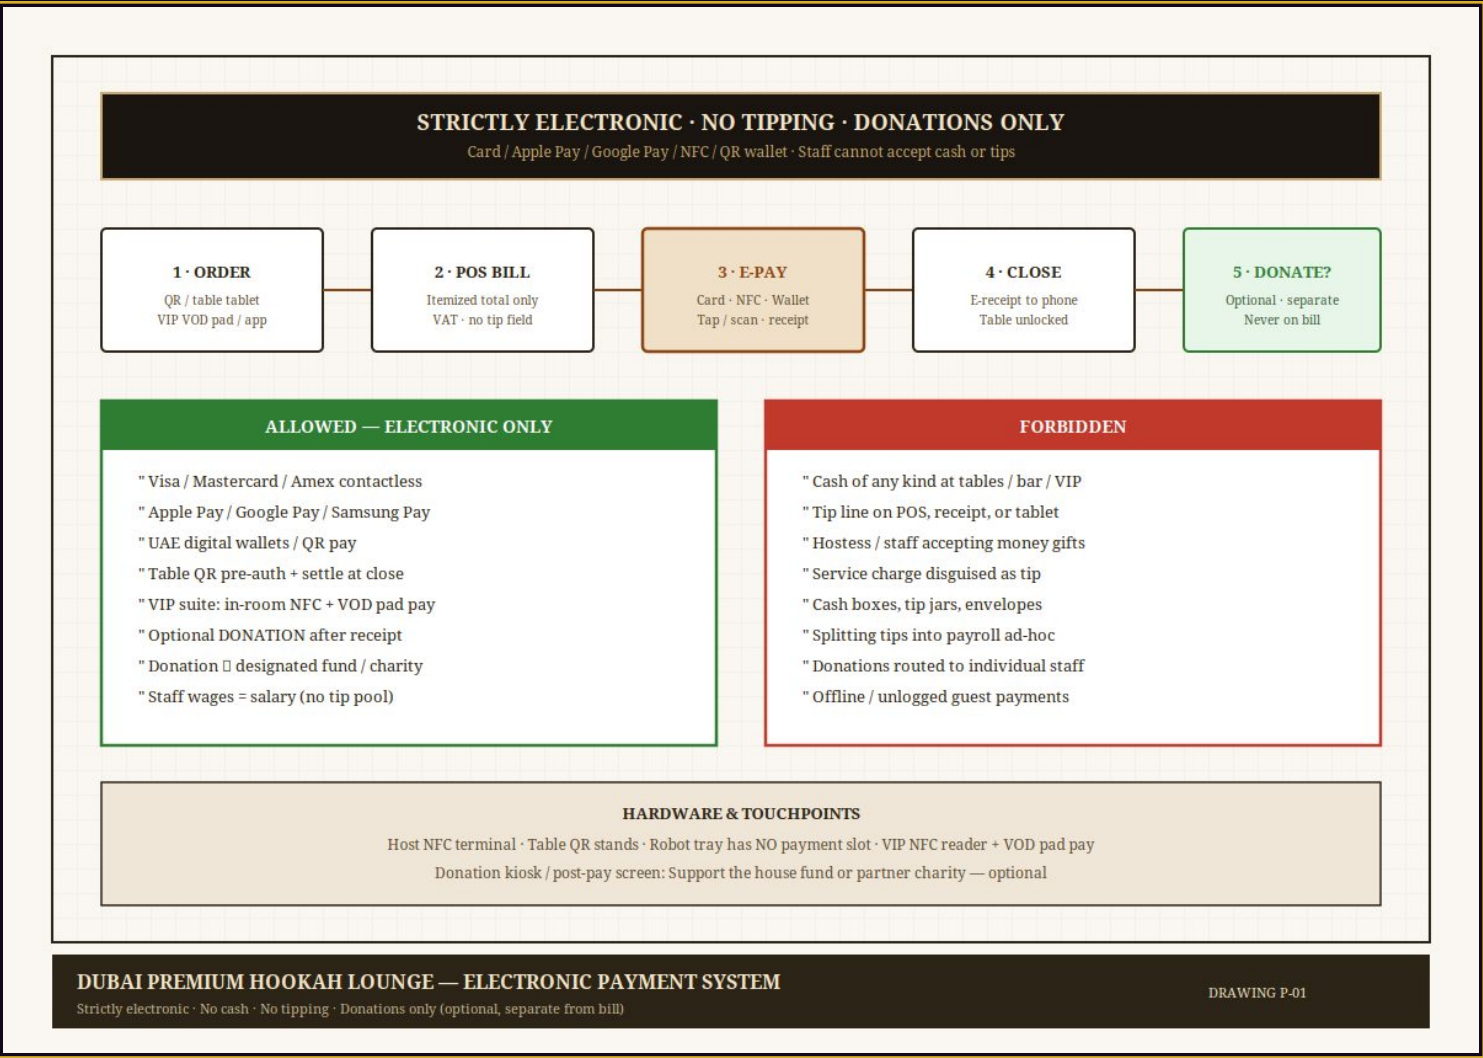

Guest journey concept render

Definition:

Visual storyboard of host arrival, fountain passage, VIP e-door, and electronic payment. Aligns brand experience with G-01.

Source file:

[images/29-guest-journey.png](#)

DEFINITION

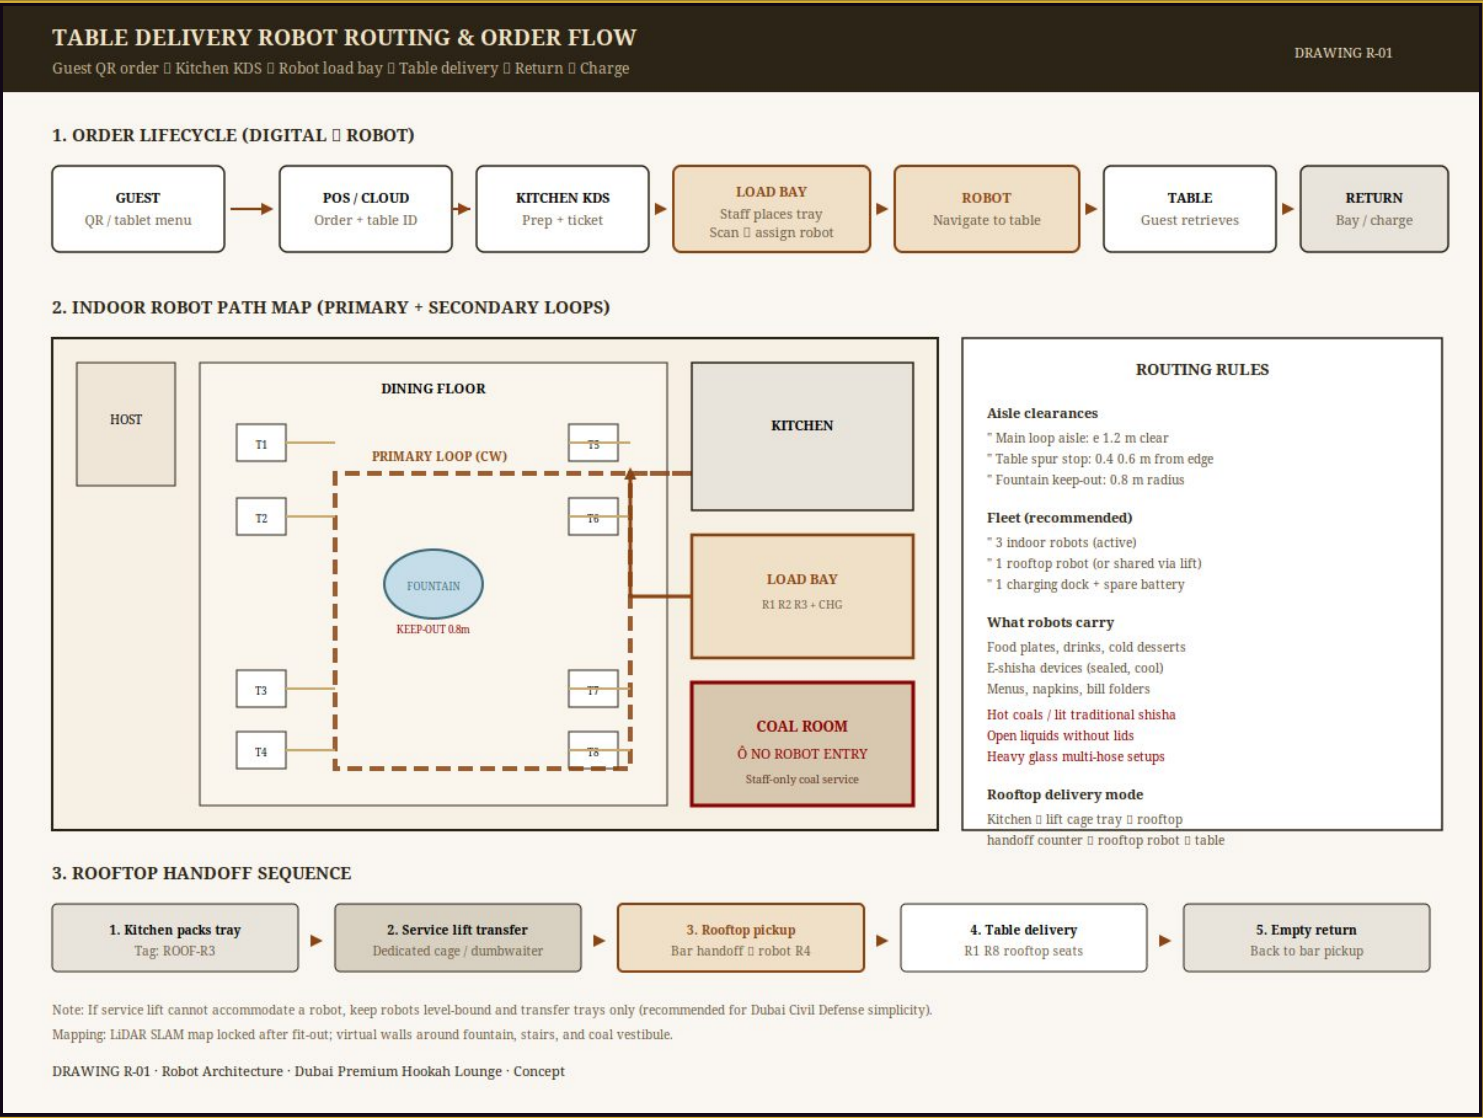

Code: P-01

Phase:
2 · GUEST JOURNEY / OPS STORY

Title:
Payment system — electronic only

Definition:
No cash, no tipping. NFC/QR/wallets only. Optional donation after receipt to house fund/charity — never to staff.

Source file:
drawings/07-payment-system.svg

EJL LIGHTHOUSE

Flashy pink & gold · robot livery standard

PRIMARY LOGO MARK

Use on robots · suite plaque · app

R1 · INDOOR

Front badge + side wrap

R2 R4 FLEET

Same livery all units

BRAND APPLICATION RULES

" Colors: Hot pink #FF2D95 / #FF69B4 + metallic gold #D4AF37 on near-black #120816

" Every robot: circular EYL mark on front panel + EYL LIGHTHOUSE gold wordmark on both sides

* Tray liner / napkin sleeve carries mini logo • VIP pass window shows same mark

" No tip jar graphics · optional DONATE QR on robot screen only (charity / house fund)

EJL LIGHTHOUSE — ROBOT FLEET BRANDING

Pink + gold logo tagged on every delivery robot · no tip · electronic pay · VIP pass handoff

DRAWING B-01

DEFINITION

Code: B-01

Phase:

2 · GUEST JOURNEY / OPS STORY

Title:

Robot fleet branding

Definition:

EJL pink/gold livery standard for R1–R4: front circular mark, side wordmark, tray liners. Apply before fleet delivery.

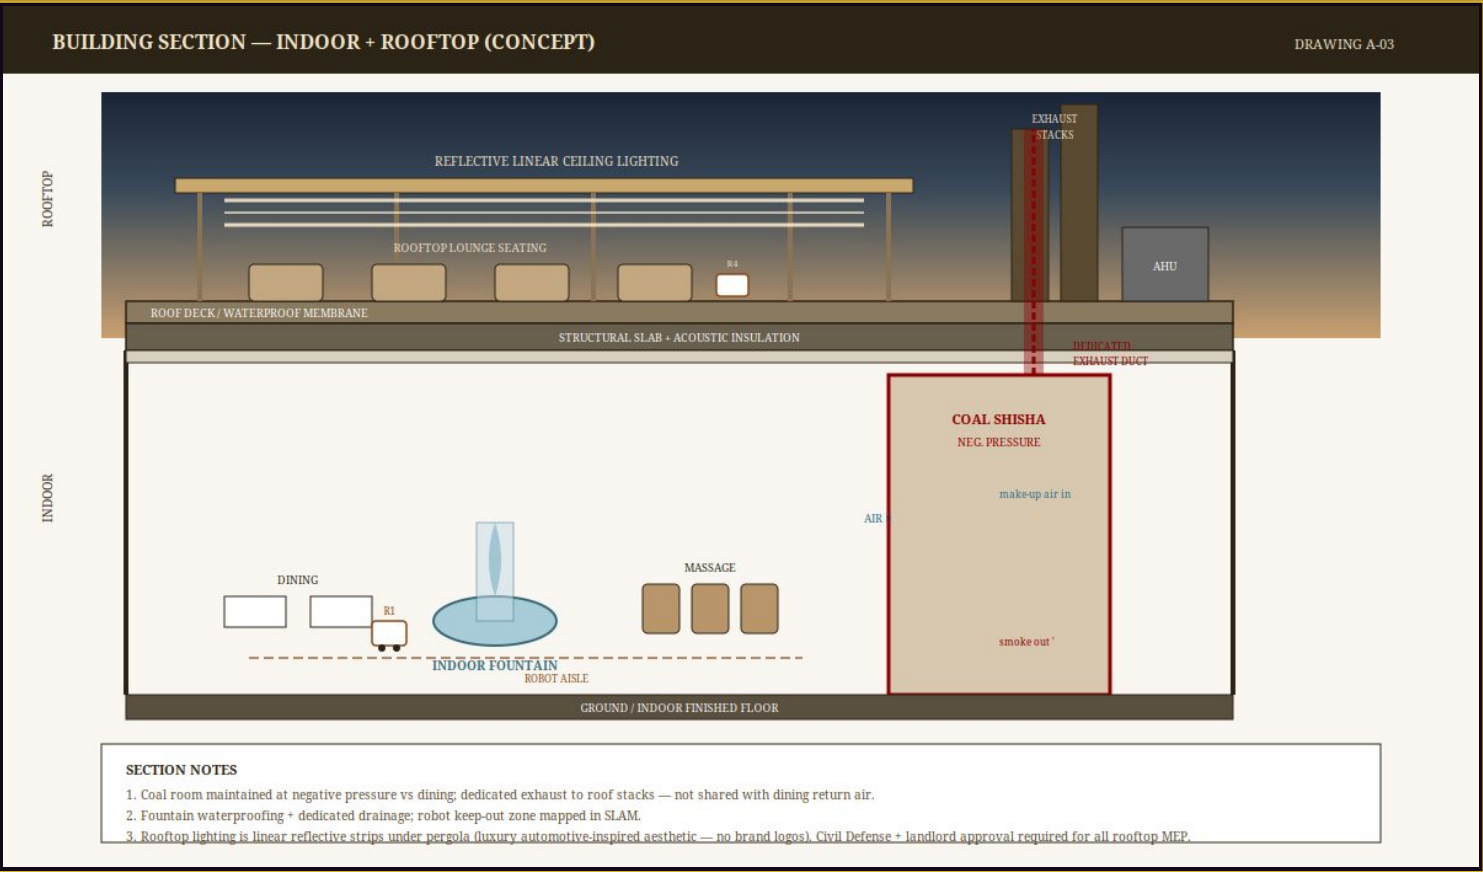

Source file:

drawings/08-robot-branding.svg

3 · BUILDING SHELL & MEP

Structure, exhaust, HVAC, and fire before fit-out.

Development phase divider

DEFINITION

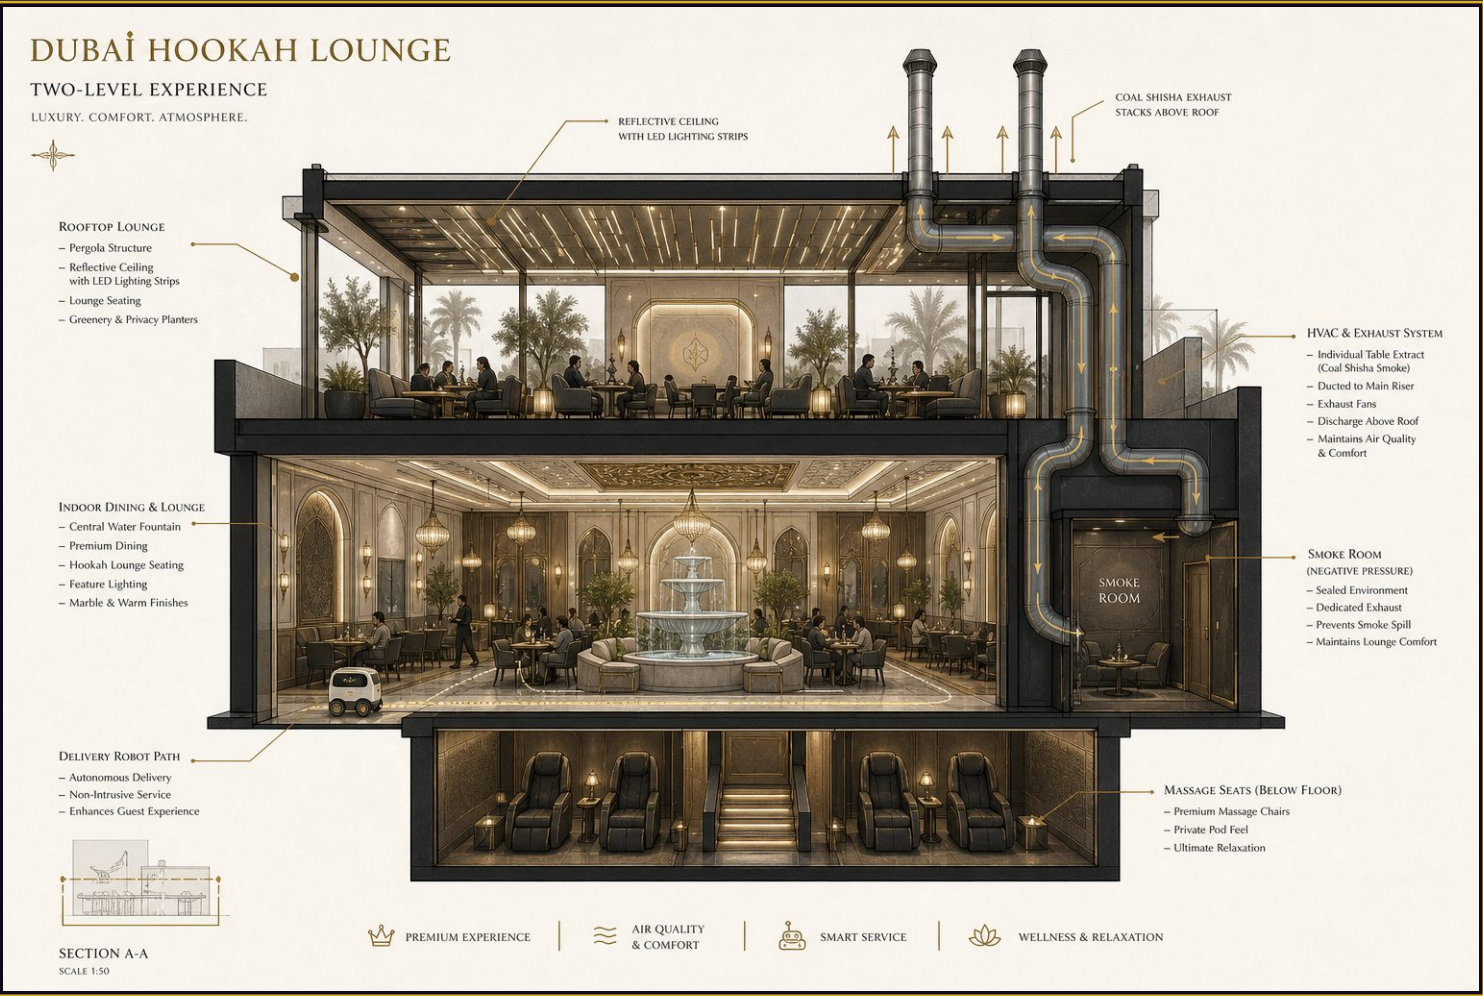

Code: A-03

Phase:
3 · BUILDING SHELL & MEP

Title:
Building section / elevation

Definition:
Cut through indoor + rooftop levels showing vertical relationships for stairs/lift, exhaust, and fountain.

Source file:
drawings/04-section-elevation.svg

DEFINITION

Code: A-03a

Phase:

3 · BUILDING SHELL & MEP

Title:

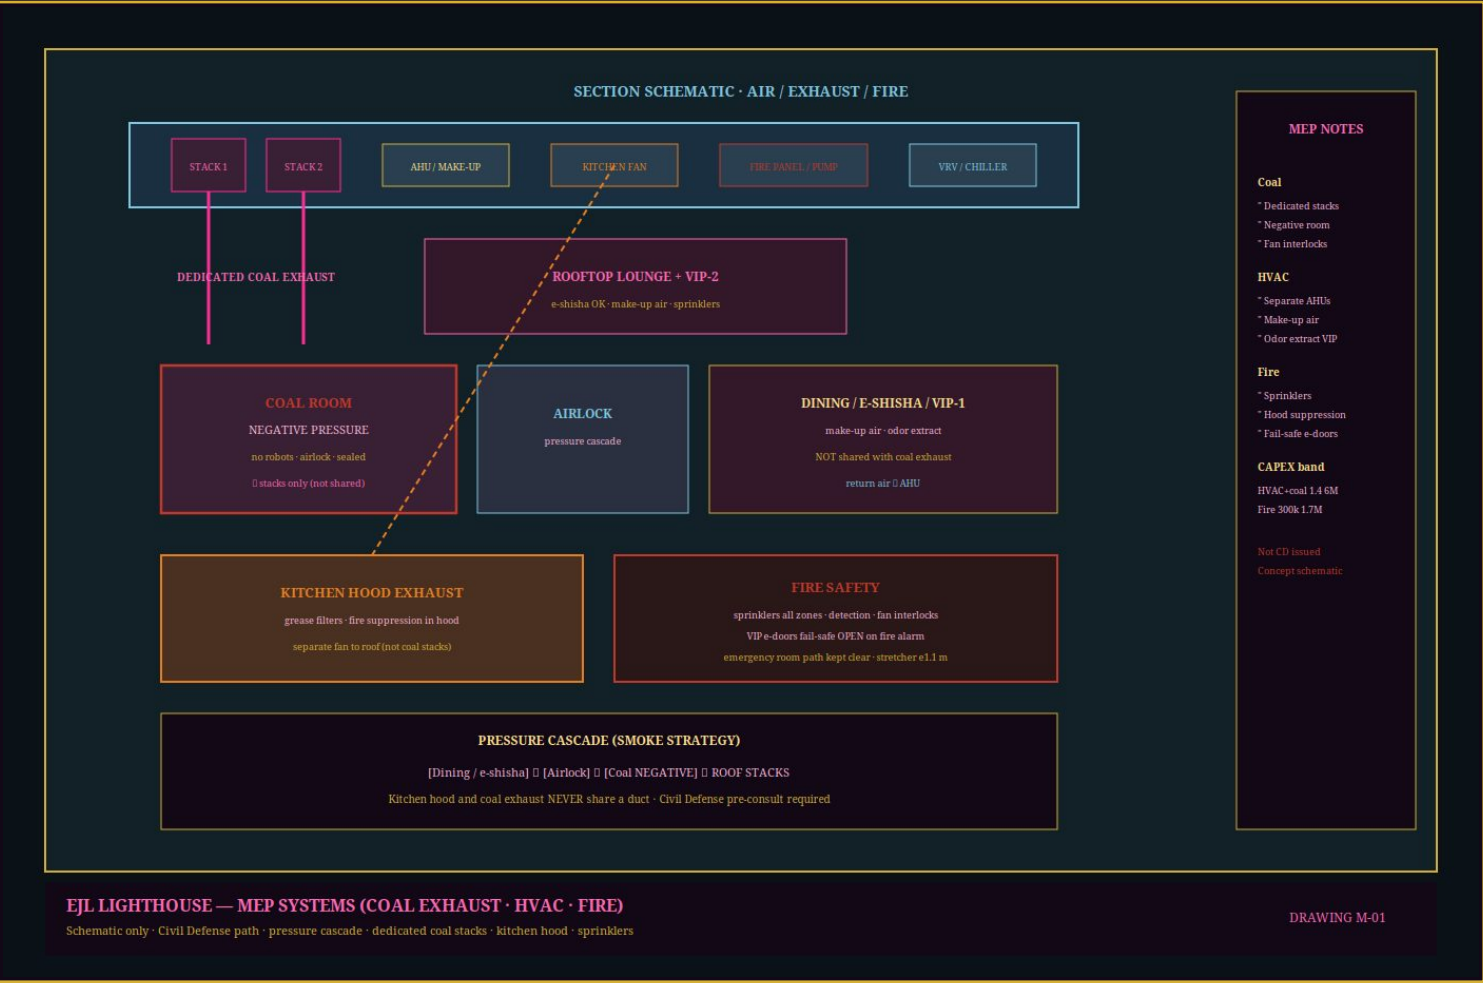

Building section concept render

Definition:

Atmospheric section concept supporting A-03 for landlord / consultant briefings.

Source file:

[images/22-building-section-concept.png](#)

DEFINITION

Code: M-01

Phase:

3 · BUILDING SHELL & MEP

Title:

MEP systems — coal · HVAC · fire

Definition:

Dedicated coal stacks, separate kitchen hood, pressure cascade, sprinklers, fail-safe VIP e-doors. Civil Defense pre-consult required. Not issued CD drawings.

Source file:

drawings/12-mep-systems.svg

DEFINITION

Code: M-01a

Phase:

3 · BUILDING SHELL & MEP

Title:

MEP systems concept render

Definition:

Visual of roof plant, coal exhaust, and building systems intent for MEP consultant kickoff.

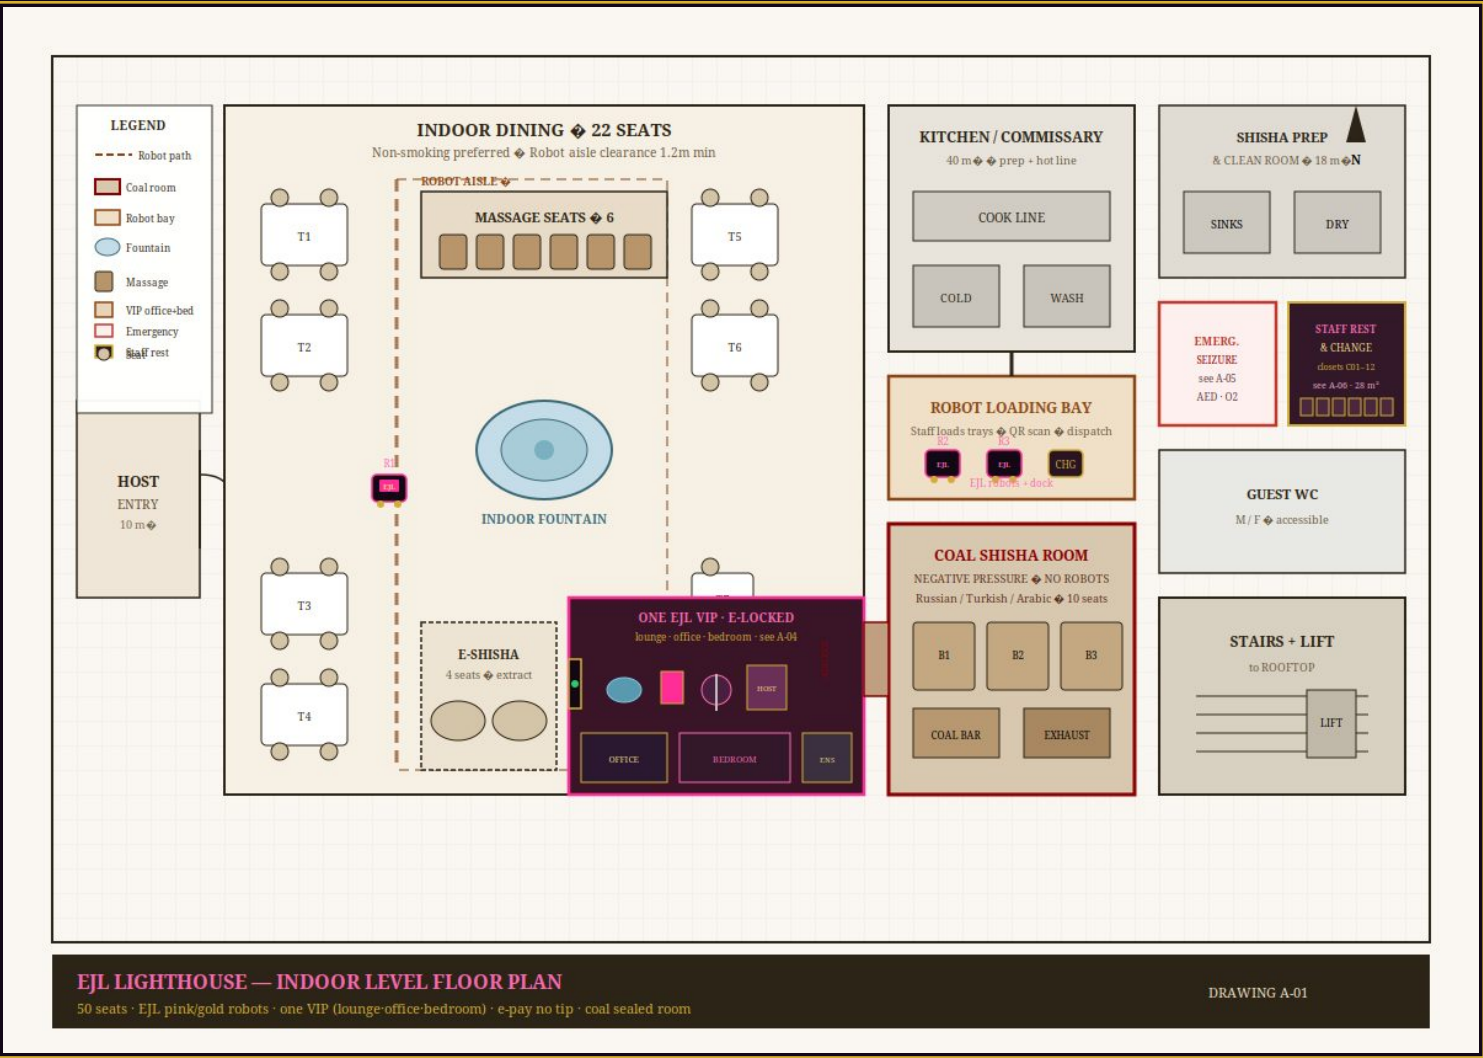

Source file:

images/27-mep-systems.png

4 • SPATIAL PLANS (FREEZE FOOTPRINT)

Lock room adjacency and clear widths.

Development phase divider

DEFINITION

Code: A-01

Phase:

4 · SPATIAL PLANS (FREEZE FOOTPRINT)

Title:

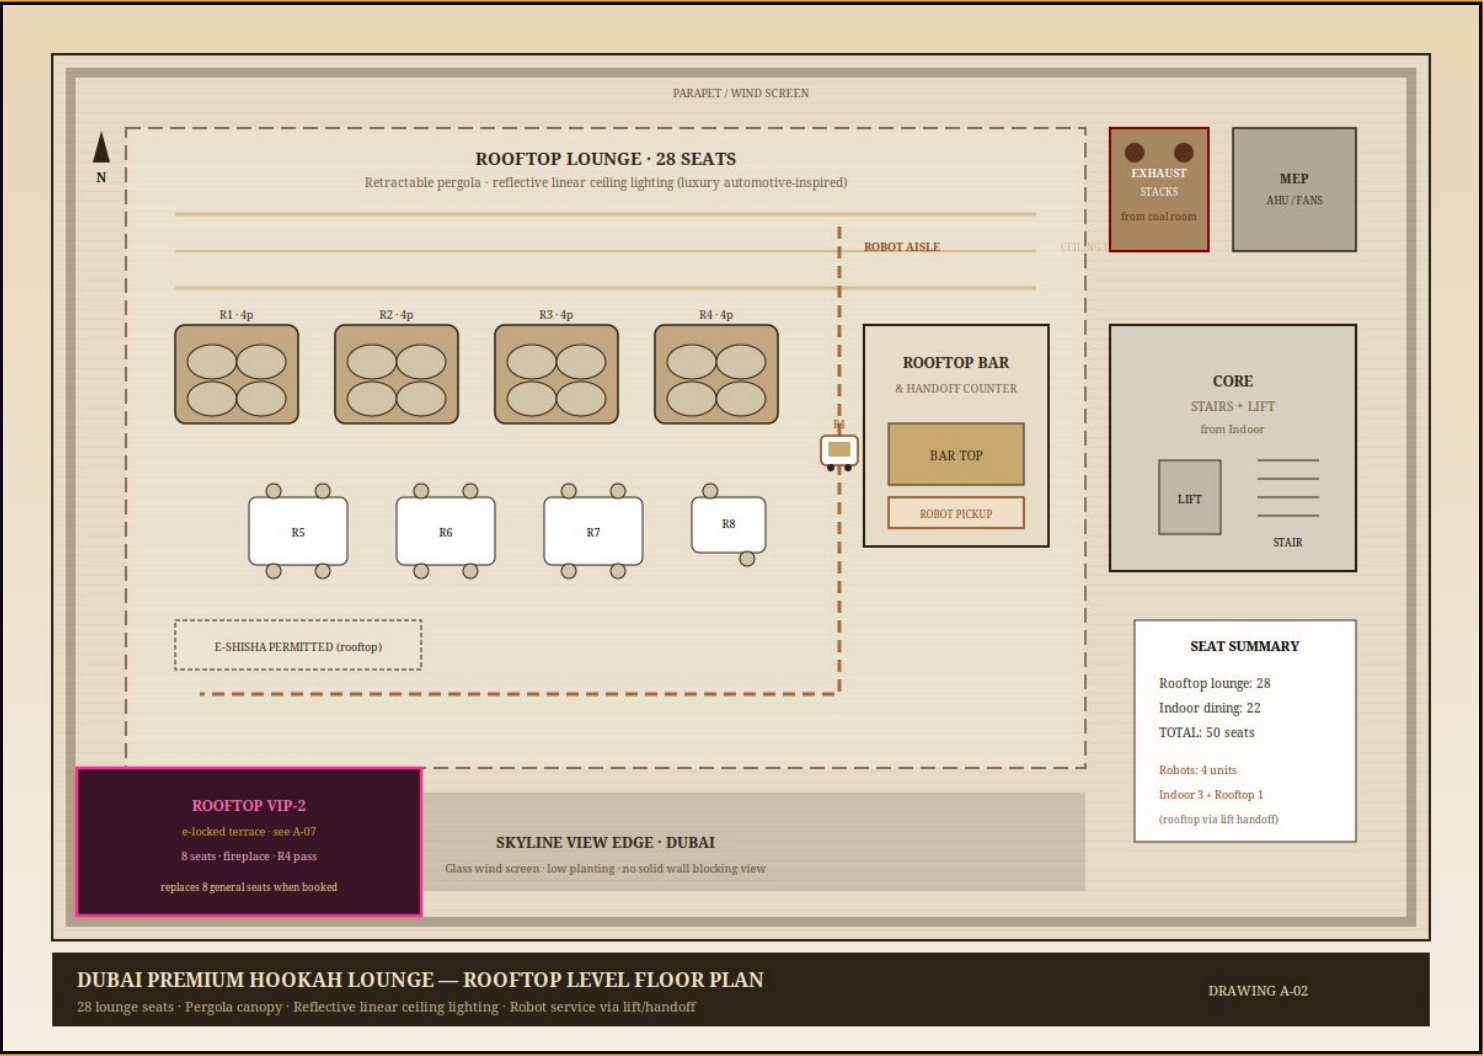

Indoor level floor plan

Definition:

Host, dining, fountain, massage, e-shisha, VIP-1, kitchen/robot bay, coal room, emergency, staff rest/change, guest WC, stairs/lift.

Source file:

drawings/01-indoor-floor-plan.svg

DEFINITION

Code: A-02

Phase:

4 · SPATIAL PLANS (FREEZE FOOTPRINT)

Title:

Rooftop floor plan (+ VIP-2)

Definition:

28-seat rooftop lounge under pergola; VIP-2 e-locked terrace overlays/replaces 8 seats when booked; exhaust stacks and bar handoff.

Source file:

[drawings/02-rooftop-floor-plan.svg](#)

5 • KITCHEN / BOH BUILD

Fit kitchen and robot bay before FOH finishes.

Development phase divider

DEFINITION

Code: A-08

Phase:
5 · KITCHEN / BOH BUILD

Title:
Kitchen / BOH plan

Definition:
Prep, cook line, dish, cold/dry stores, robot loading bay, dumbwaiter to rooftop. Staff only; robots only in bay.

Source file:
drawings/11-kitchen-boh-plan.svg

DEFINITION

Code: A-08a

Phase:

5 · KITCHEN / BOH BUILD

Title:

Kitchen / BOH concept render

Definition:

Finish reference for stainless cook line, dish area, and tray pass to robot bay.

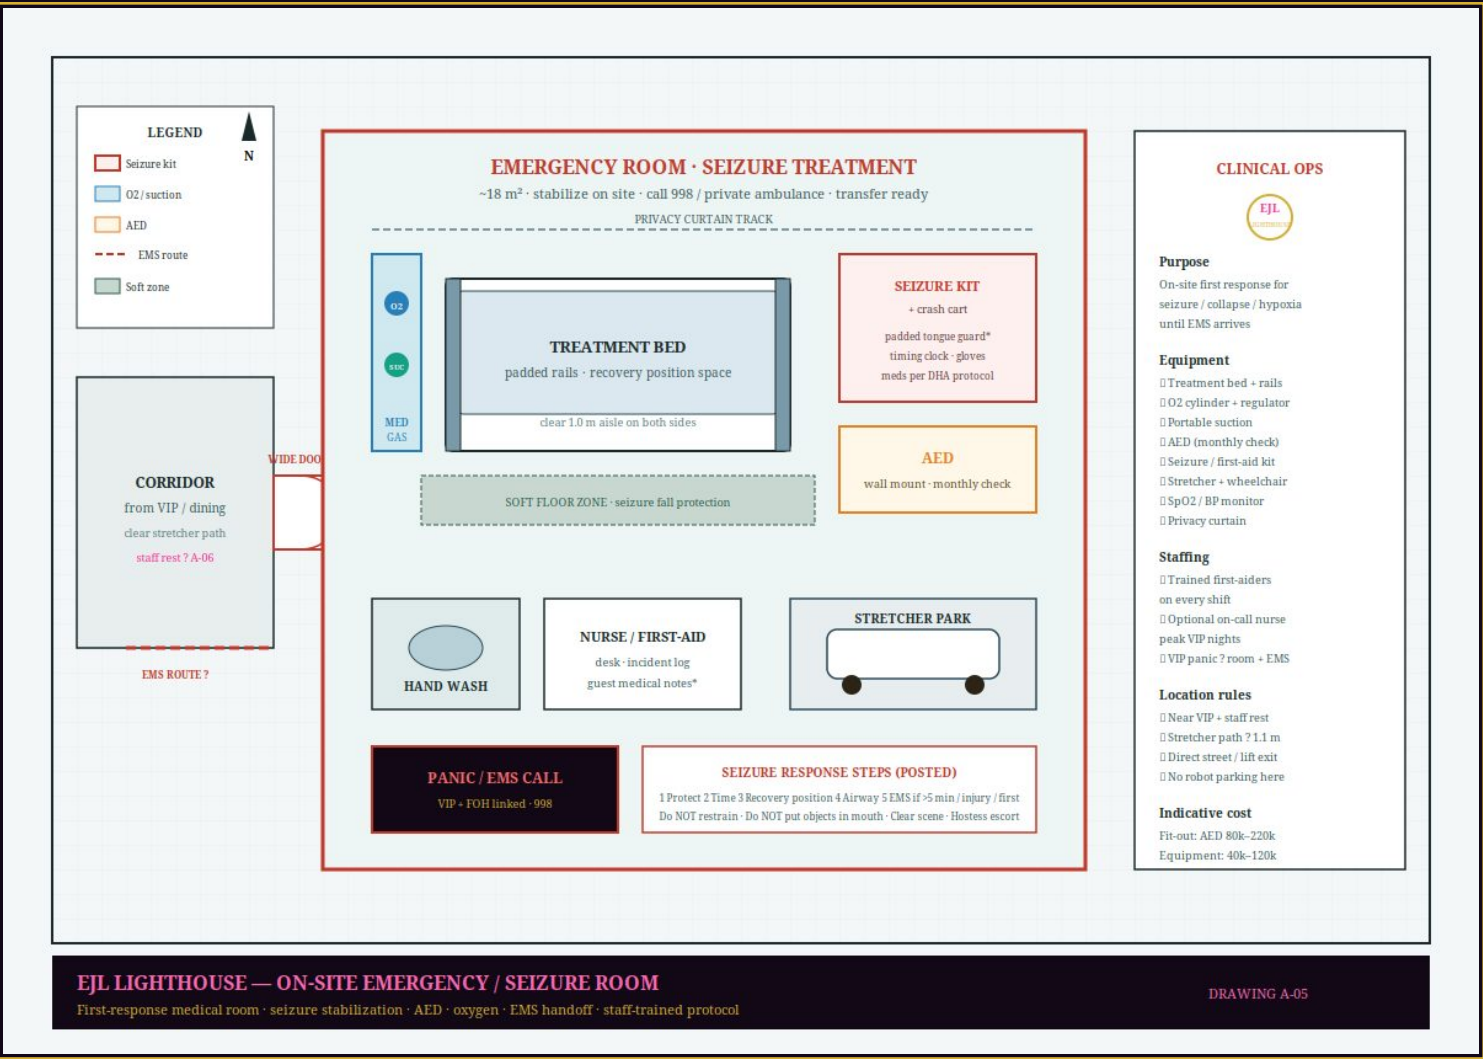

Source file:

[images/26-kitchen-boh.png](#)

6 • SAFETY & STAFF ROOMS

Life-safety and workforce rooms before guest opening.

Development phase divider

DEFINITION

Code: A-05

Phase:
6 · SAFETY & STAFF ROOMS

Title:
Emergency / seizure room plan

Definition:
First-response room: treatment bed, O2, suction, AED, seizure kit, stretcher, EMS route. Adjacent to staff rest. Robots forbidden.

Source file:
[drawings/06-emergency-room-plan.svg](#)

**DEFINITION****Code: A-05a**

Phase:

6 · SAFETY & STAFF ROOMS

Title:

Emergency room concept render

Definition:

Clinical fit-out look for A-05 equipment layout and privacy curtain.

Source file:

[images/23-emergency-room.png](#)

DEFINITION

Code: A-06

Phase:
6 · SAFETY & STAFF ROOMS

Title:
Staff rest & changing (closets)

Definition:
Workers-only: rest sofas, W/M changing booths, lockable closets C01–C12, uniform closet, shoe rack, staff WC, phone cubbies.

Source file:
drawings/09-staff-rest-changing-plan.svg

**DEFINITION****Code: A-06a**

Phase:

6 · SAFETY & STAFF ROOMS

Title:

Staff rest & changing concept render

Definition:

Visual of lockers/closets and changing zone finishes for BOH FF&E order.

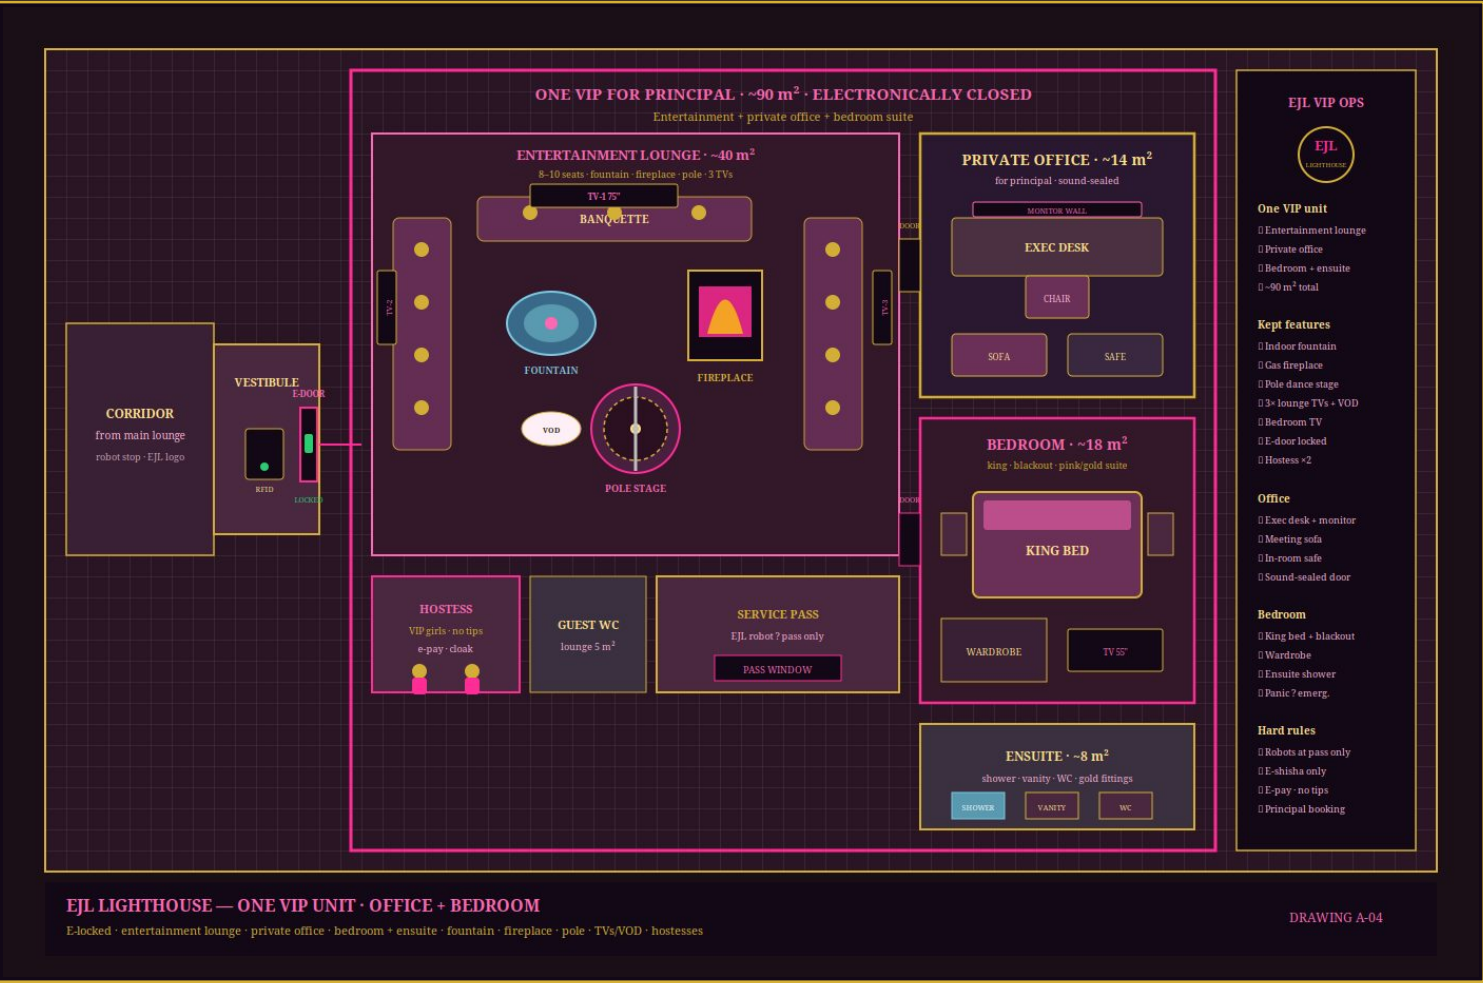

Source file:

images/24-staff-rest-changing.png

7 • VIP-1 PRINCIPAL SUITE (INDOOR)

Fit the flagship e-locked unit last among major rooms.

Development phase divider

DEFINITION

Code: A-04

Phase:

7 · VIP-1 PRINCIPAL SUITE (INDOOR)

Title:

VIP-1 plan — lounge · office · bedroom

Definition:

One principal VIP (~90 m²): entertainment lounge with fountain/fireplace/pole/TVs, private office, bedroom + ensuite, hostess, service pass, e-lock.

Source file:

drawings/05-vip-room-plan.svg

DEFINITION

Code: A-04a

Phase:

7 · VIP-1 PRINCIPAL SUITE (INDOOR)

Title:

VIP-1 suite — full concept

Definition:

Complete EJL VIP entertainment look: fountain, fireplace, pole, pink/gold finishes.

Source file:

images/15-vip-suite-full.png

DEFINITION

Code: A-04b

Phase:

7 · VIP-1 PRINCIPAL SUITE (INDOOR)

Title:

VIP suite — earlier concept

Definition:

Earlier VIP direction retained for design history / option comparison.

Source file:

images/16-vip-suite-earlier.png

DEFINITION

Code: A-04c

Phase:
7 · VIP-1 PRINCIPAL SUITE (INDOOR)

Title:
VIP-1 private office

Definition:
Sound-sealed office for principal: exec desk, monitor wall, sofa, in-room safe. Robots never enter.

Source file:
images/18-vip-office.png

**DEFINITION****Code: A-04d**

Phase:

7 · VIP-1 PRINCIPAL SUITE (INDOOR)

Title:

VIP-1 bedroom

Definition:

King bedroom with blackout, wardrobe, 55" TV, ensuite. Panic button to emergency room.

Source file:

[images/17-vip-bedroom.png](#)

DEFINITION

Code: A-04e

Phase:

7 · VIP-1 PRINCIPAL SUITE (INDOOR)

Title:

VIP-1 cutaway — lounge + office + bedroom

Definition:

Shows the three-room relationship behind one e-locked vestibule for contractor coordination.

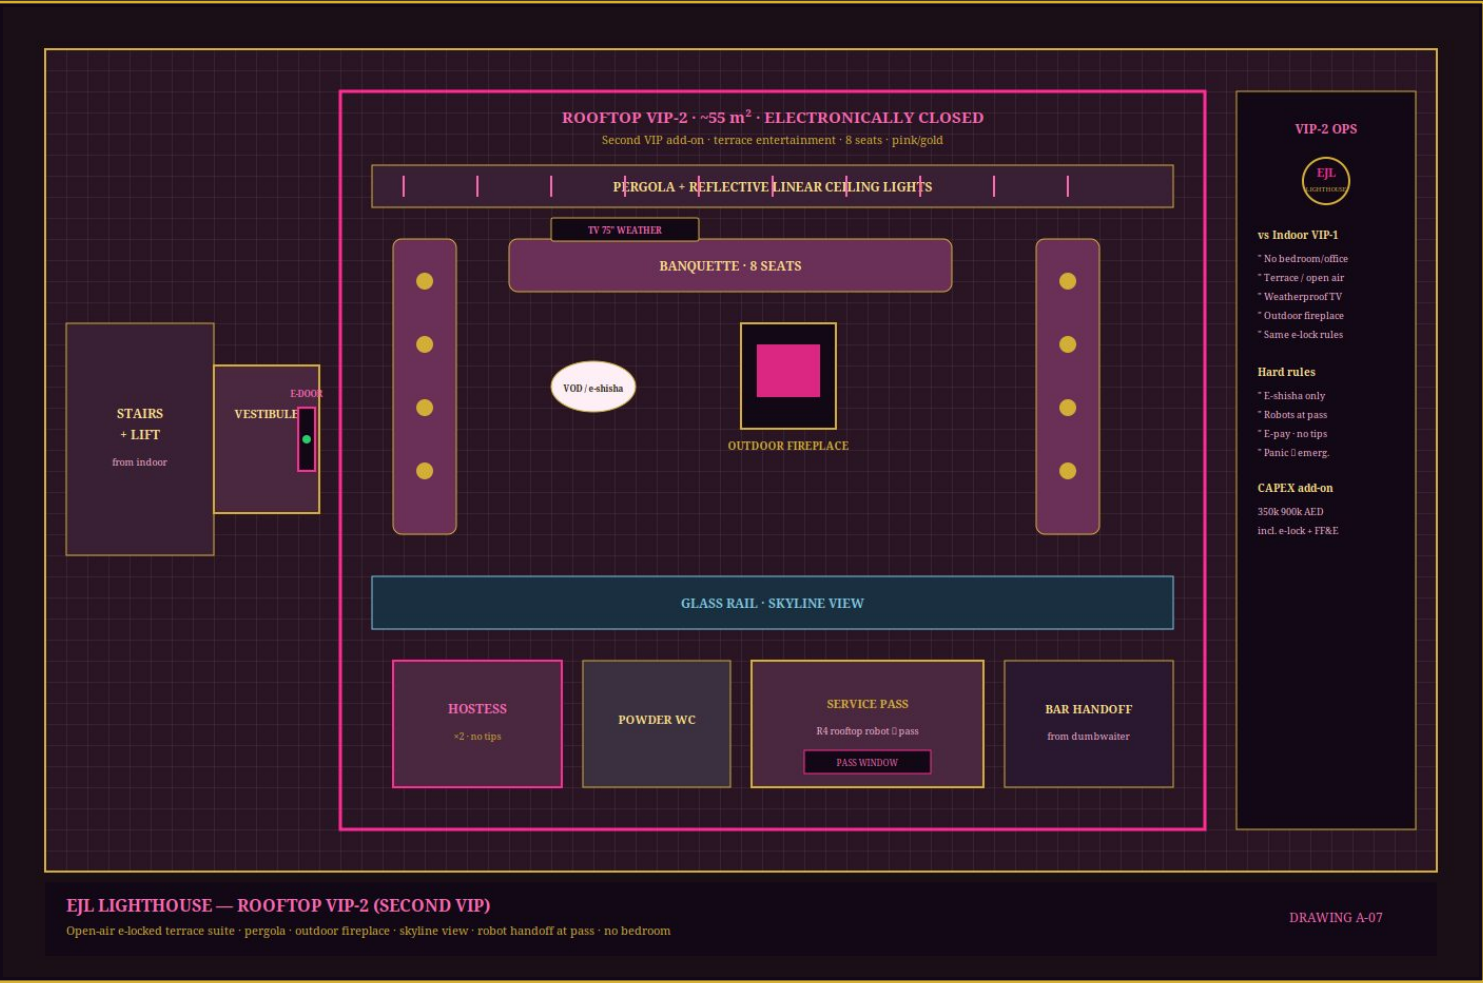

Source file:

[images/19-vip-office-bedroom-suite.png](#)

8 • VIP-2 ROOFTOP ADD-ON

Build after rooftop shell and VIP-1 lessons.

Development phase divider

DEFINITION

Code: A-07

Phase:
8 · VIP-2 ROOFTOP ADD-ON

Title:
Rooftop VIP-2 plan

Definition:
~55 m² e-locked terrace: pergola, outdoor fireplace, weather TV, 8 seats, hostess, R4 pass. No office/bedroom. Replaces 8 rooftop seats when booked.

Source file:
drawings/10-rooftop-vip-plan.svg

DEFINITION

Code: A-07a

Phase:

8 · VIP-2 ROOFTOP ADD-ON

Title:

Rooftop VIP-2 concept render

Definition:

Night terrace atmosphere for VIP-2 FF&E and lighting.

Source file:

images/25-rooftop-vip.png

9 · PROCUREMENT & OPENING

Order FF&E and train staff before soft open.

Development phase divider

FURNITURE & EQUIPMENT SCHEDULE

VIP-1 + VIP-2 + FOH + BOH + staff · design total ~50 seats + 2 VIP bookings

ITEM	ZONE	QTY	NOTES
Dining seats / chairs	Indoor dining	10	Robot aisle clear e1.2 m
E-shisha lounge seats	Indoor e-shisha	4	Electronic only
Massage seats (powered)	Indoor quiet	6	Service power
Rooftop lounge seats	Rooftop	28	Pergola under
VIP-1 banquettes / seats	Indoor VIP-1	8 10	Pink/gold
VIP-1 king bed + wardrobe	VIP bedroom	1	+ ensuite fittings
VIP-1 exec desk + sofa + safe	VIP office	1 set	Sound-sealed
VIP-2 rooftop banquettes	Rooftop VIP-2	8	Weather fabrics
Indoor fountain feature	Dining + VIP-1	2	Pink LED · drain
Gas / outdoor fireplaces	VIP-1 + VIP-2	2	Guards · CD ok
Chrome pole stage	VIP-1 only	1	2.4 m clear
TVs (75" / 55")	VIP + FOH	7	1×75 VIP1 + 3×55 VIP1/bed + 1×75 VIP2 + 2 spare/FOH
Delivery robots + docks	Fleet	4 + 2	EJL pink/gold livery
Worker closets C01 C12	Staff rest	12	+ uniform closet
Staff rest sofas / recliners	Staff rest	2 + 2	BOH only
Emergency treatment bed	A-05	1	+ stretcher + AED + O2
E-pay NFC / QR terminals	All zones	8	Tip fields disabled
Kitchen cook line modules	BOH A-08	1 set	+ dish + cold/dry
Coal booth furniture	Coal room	10 seats	Staff-served only

SEAT CHECK

Rooftop 28 + indoor dining 10 + e-shisha 4 + VIP-1 (counted in indoor 22) = 50 design seats
VIP-2 rooftop is an add-on booking (8 seats) — may share rooftop capacity or expand total
Recommend: VIP-2 replaces 8 of the 28 general rooftop seats when booked

FINISH STANDARD

Palette: pink #FF2D95 / #FF69B4 · gold #D4AF37 · near-black #120816
Metals: brushed gold + chrome pole · soft goods: velvet / performance outdoor
EJL logo on robots, VIP plaques, tray liners, staff closet tags

DEFINITION

Code: F-01

Phase:

9 · PROCUREMENT & OPENING

Title:

FF&E schedule — quantities

Definition:

Indicative counts: seats, TVs, robots, closets
C01–C12, kitchen modules, clinical kit. Pink/gold finish
standard. Not a purchase order.

Source file:

drawings/13-ffe-schedule.svg

EJL LIGHTHOUSE — FF&E SCHEDULE (QUANTITIES)

Indicative furniture / equipment counts for planning · pink/gold finish · not a purchase order

DRAWING F-01

DEFINITION

Code: F-01a

Phase:

9 · PROCUREMENT & OPENING

Title:

FF&E mood board

Definition:

Visual procurement board for banquettes, VIP bed/desk, massage seats, fountain, fireplace, pole, lockers, robot tray.

Source file:
